NEW DINING SUITS

How Would You Like a New Dining Suit Like the Above?

If some good, kind Samaritan should make you a present of a Dining Suit you would be pleased mightily, wouldn't you? Of course we are not so good as all that, but we have marked the price on this Suit so low that with us it is almost like giving it away. The pieces that compose it are a large Sideboard, 45 inches wide, an Eight-foot Round Dining Table, a China Closet and a Side Table. They are splendid Suits all the way through. Not an imperfect place or weak joint in the construction. The finish is quartered oak and they match beautifully. See our window for the display. The price is \$57.00 for the four pieces complete.
